KOREA OCEAN EXPO 2020 참가업체 소개 / 더세이프티(주)

회사명 : 더세이프티(주)

연락처 : 051-973-9014

홈페이지 : www.the-safety.com/

THE SAFETY CO., LTD

TO BRING FAMILY HOME SAFELY

THE SAFETY, as an affiliate of NK, is a sole business partner for maritime service of NK GROUP, exclusively managing NK Group's global sales and aftersales service network.

As single point of contact, we work around the clock to handle and resolve customer needs, whether it be Aftersales service support of NK equipped FFS systems, direct supply of NK genuine parts, servicing of FFA/LSA inspection service in any of the key ports around the globe, or design to implementation of FFS systems for Retrofits/new build projects.

With majority of running vessels equipped with NK fire fighting systems worldwide, we value every single customer relationship and make our fullest efforts to uphold highest level of services and customer satisfaction with the most competitive pricing in the market.

제품소개

Product Name / 제품명: Personnel Protective Equipment

Characteristic / 제품특징:

* Main Gears

- Protective clothing
- Boots & Gloves
- Helmet
- Electric Safety Lamp
- Axe with Belt
- Breathing Apparatus
- Life Line

제품소개

Product Name / 제품명: Annual Inspection

Characteristic / 제품특징:

FFA

- Portable Fire Extinguisher
- CO2 Fire Extinguishing system
- Fixed Dry Powder system
- Deck Foam System
- Analysis of foam sample
- Hydro test & Refilling
- Replacement (New Supply)

*LSA

- Life Boat & Davit
- Life Raft
- Immersion Suit Repair
- Inflatable Life Jacket
- SCBA & EEBD Inspection
- Medical Oxygen Bottle

제품소개

Product Name / 제품명: NK FIRE FIGHTING SYSTEM

Characteristic / 제품특징:

Fixed high & low pressure CO2 system /

Fire Extinguishing System for Onshore /

Deck Foam System /

High Expansion Foam System /

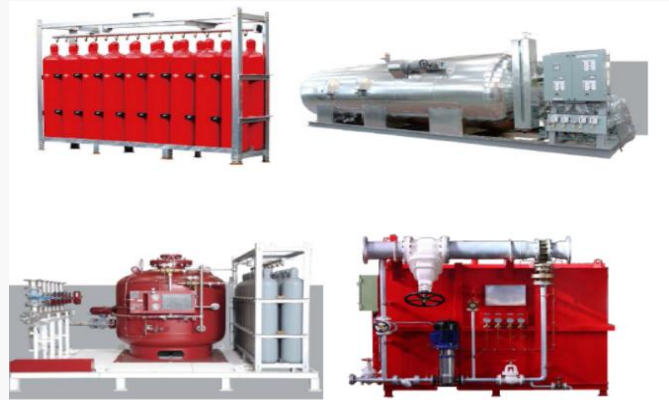

Dry Chemical Powder System /

Fixed Water Based Local Application /

Heli Deck Foam /

Retrofit System

"NK Authorized FFS system certification training available"

제품소개

Product Name / 제품명: SPARE PARTS

Characteristic / 제품특징:

45Kg CO2 Cyl. & V/V Ass'y /

Valve Actuator /

Flexible Hose Ass'y W21.8 x 680 & Pilot Loop Ass'y 3/8" /

Release control Cabinet Ass'y /

Main Valve Pod /

Foam Monitor SFHD 100/150 /

Foam Proportioner PRS 50/150, 80/200 /

Time Delay Unit / etc
